

# Little Georges

*"We believe that the children are our future. Teach them well and let them lead the way".*

As parents of young children ourselves, we take kids' food very seriously at The George! Many dishes are available in smaller portions, and all dishes are always made with the same quality ingredients and to the high standards we expect in the grown-up versions.

Just like our own, we know kids often have very unusual tastes, so please do ask us if you have any specific requirements or want to see a specific dish on the menu next time you visit – our kitchen will always do our best to help...
